TODAY'S REVIEW!

We never get through praising our 25c Stockings for women, men and children. Too much can't be said.

Hundreds of women have long known this is the place to buy the best fitting, best wearing stockings. Women who have accounts elsewhere come here for hosiery. Stockings, made as we want them, strong, elastic, perfectly shaped at prices to accommodate everybody's purse. Only good, only THE BEST Stockings in every line. One trio at 25c we'll match against the world.

Women's "Peerless," 25c.

Pure Mace Cotton smooth as satin, or Little Thread plain and drop stitch. It's stocking merit from top to toe.

Children's Hercules, 25c.

Plain or ribbed, double sole, heel and toe. If you find it difficult to keep your boy "in at the knees" try a pair of Hercules.

Men's Peerless 25c.

High grade goods though priced so moderately. Lighten "darning" duties for tired fingers. Peerless half hose have wear and worth to spare.
